

City Council Town and Ordinance Plan

NAME _____ DATE _____ PERIOD _____

1. Design the Town

Town name: _____ Town type: _____

Climate/weather: _____ How people travel: _____

What makes the town special?

What jobs are available?

2. Find Possible Problems

AREA	ONE POSSIBLE PROBLEM
Safety	
Climate, weather, or environment	
Transportation	
Another area	

Model problem: A snowy town may need a plan for clearing roads so emergency vehicles can travel.

3. Draft Ordinance 1

What is the rule?

Why is it needed?

What realistic consequence follows if someone breaks it?

4. Draft Ordinance 2

What is the rule?

Why is it needed?

What realistic consequence follows if someone breaks it?

5. Check and Revise

For each ordinance, check all three tests.

TEST	ORDINANCE 1	ORDINANCE 2
Clear: people can understand the rule	☐	☐
Fair: it applies consistently	☐	☐
Realistic: the town can enforce it	☐	☐

My partner or self-check found this concern:

I revised ordinance **1 / 2** by

6. Career Connection

Name one Law and Public Safety worker who could help create, explain, review, or enforce one ordinance. State what that worker would do.
