Compare two current Irving opportunities

English III Dual Credit (H): grades 10-12; prerequisite English II; the coursebook says it meets high-school and college-credit requirements.

AP Biology: grades 11-12; prerequisite Biology plus Chemistry completed or taken at the same time; college credit depends on the receiving institution's AP policy.

Word bank: **dual credit / crédito doble · prerequisite / prerrequisito · receiving institution / institución que recibe el crédito**

1. One difference in how the two opportunities may lead to college credit:

2. One requirement I would need to plan for:

3. One question I would verify with a counselor or college:

Sentence frame: “_ **may fit my plan because** _. Before choosing it, I would verify ____.”
