

Experience Access and Backup Check

NAME _____ DATE _____ PERIOD _____

Use this with FYF Rung 6

Write the SMART goal on FYF pp. 292-293. Use this page for the access, skill-transfer, obstacle, and backup evidence the workbook does not ask for.

Experience bank: project - club or CTSO - service - responsibility - hobby - portfolio - paid work

1. Choose and explain

Experience or project: _____ Source or person who confirms it: _____

Skill or knowledge it may build: _____

The same skill matters in another career because:

Access check: [] free or cost verified [] transportation considered [] permission considered [] adult/contact verified [] equal school-based route available

2. Protect the plan

Person or resource I need: _____

Likely obstacle:

Backup strategy that keeps the same learning goal:

First action I can complete within seven days:

Complete frame: If _____ blocks my first route, I will _____ so I can still build _____.

Done when

- ☐ The experience is real or clearly marked for verification.
- ☐ My FYF goal includes all five SMART parts.
- ☐ I considered access and a backup.
- ☐ I named a first action within seven days.
