My priority today is:

Test One Choice

Word bank: original choice · evidence noticed · revision · expected improvement

Use this frame: I noticed [evidence]. I changed [original choice] to [revision] because [reason].

The choice I tested:

How I tested it against the client/user need:

Evidence I observed:

Revise from the Evidence

My revision:

Why the revision should help:

Submit and Explain

- ☐ Digital model submitted privately in Canvas or visible in the teacher Classroom
- ☐ Paper concept submitted or privately photographed
- ☐ Test evidence and revision are complete

Use this frame: Next, a [worker] would use this evidence to [work product or decision]. This concept does not prove [limit].
