Minor 1: Four-Criterion Rubric

CRITERION	4 — MASTERS	3 — MEETS	2 — APPROACHES	1 — NEEDS IMPROVEMENT	0 — INSUFFICIENT EVIDENCE
Career and source accuracy	Career, current local boundary, source/date, and limitation are accurate	Accurate career and source with one minor label gap	Usable evidence but incomplete labels or boundary	Major occupation, pathway, or source confusion	Blank, off-topic, or no supported fact
Preparation and posting reasoning	Verified requirement, provider-variable fact, posting evidence, and limit are clearly separated	Mostly accurate comparison with one minor gap	Partial comparison or unsupported jump	Routes or posting fields are substantially confused	Blank or off-topic
Design, revision, and service	Specific design choice, tested revision, service value, and skill transfer use evidence	Clear design/revision/service connection	General connection or one required element missing	Product description with little reasoning	Blank or off-topic
Conclusion and next action	Four evidence types support a coherent conclusion, limitation, and specific next action	Complete conclusion with mostly specific evidence	Understandable but missing a major evidence type	Preference stated with little evidence	No usable evidence

Total: ____ / 16

This is Minor 1 in the approved sixth-six-weeks assessment map. Career preference, artwork, platform access, private service history, English mechanics unless meaning is unclear, and submission mode do not determine the score.

Revision target: My weakest criterion is _____. I will improve it by _____.
