

Individual Career Plan

NAME _____ DATE _____ PERIOD _____

1. Current Direction

Career pathway or direction: _____ Flexible alternative: _____

Two current interests, values, or strengths and the evidence behind them:

One daily task or work product in this career:

Why this direction fits my current evidence without becoming a forever promise:

Language help: direction/dirección · alternative/alternativa · work product/producto de trabajo · evidence/evidencia**Complete frame:** My current direction is **[direction]** because **[self evidence]** connects to **[career task]**. My alternative is **[alternative]**.

2. Preparation and Labor Evidence

Typical preparation requirement:

Source and date: _____

Salary: \$ _____ Measure: _____ Geography: _____

Date/year: _____

Source: _____

Growth or openings: _____ Measure/date: _____

Source: _____

One limitation or reason this evidence could change:

Quick audit: [] I did not call a national median local starting pay. [] I kept the source/date/measure visible. [] I did not treat a projection as a guarantee.

Complete frame: The evidence shows [amount or trend] for [place/time/measure]. It helps me compare [decision], but it cannot guarantee [limit].

3. High School and Training Route

Current Irving high-school pathway/program label, campus, source, and date:

One course, application, or enrollment action to verify:

What is confirmed? _____ What is still a question? _____

Postsecondary or training route: _____

Admission or enrollment step:

Degree, credential, certification, or license boundary:

Cost, time, aid, or transportation question to verify rather than assume:

4. Action Plan and Flexible Close

ACTION	HOW I WILL KNOW IT IS COMPLETE	DATE/CHECKPOINT	SUPPORT PERSON OR ROLE
1			
2			
3			

Likely obstacle and early warning sign:

Backup strategy:

How and when I will ask for support:

EVIDENCE-BASED CONCLUSION

The strongest evidence for my current direction is:

The most important uncertainty is: _____

My next verified action is: _____

Complete frame: I will start by [action] by [date] with help from [support]. If [obstacle] happens, I will [backup].
