

Emerging and Established IT Career Comparison

NAME _____

DATE _____

PERIOD _____

Compare your emerging IT career with one established IT career from Weeks 1–3. Use BLS numbers and label any closest-match proxy.

EVIDENCE	MY EMERGING CAREER	ESTABLISHED IT CAREER
Career name		
Main work task		
BLS occupation used		
Exact match or proxy?		
Median pay and year		
Growth rate and year range		

Evidence claim

Which career has the faster BLS growth rate? State both numbers and remember that a proxy describes a broader occupation.

What technology, demand change, or changed work task supports calling your first career “emerging”?
