

Wireframe Template and Symbol Key

NAME _____ DATE _____ PERIOD _____

Use one sheet for each screen you want to plan. Keep it simple. This is not about making it pretty. It is about showing exactly how the app works.

App name: _____ **This sheet is:** Home Screen / Main Menu / Action Screen / "Success" Screen
(circle one)

Header bar. Write the app name or the screen name here.

Screen. Draw your boxes, lines, and buttons here.

Symbol Key

- **A box with an X inside:** an image, an icon, or a video
- **Horizontal lines:** text or paragraphs
- **A solid rectangle or oval:** a button the user can click
- **Three stacked lines:** the main menu

Before you trade with your partner, check both:

- ☐ Every button is labeled with what happens when you click it.
- ☐ A first-time user can tell where to click next.
