

Education Route Decision

NAME

DATE

PERIOD

Use your Education Pathway Comparison and the dated Route Data Guide.

Order the routes by common program length

Write **1** for the route you would investigate first for earlier workforce entry and **3** for the longest common formal program.

- Computer user support route: _____
- Computer network support route: _____
- Software developer route: _____

One time or preparation fact supporting each number:

1.

2.

3.

Recommendation

A student says, “I want to enter the workforce sooner, but I also want room to advance.” Which route should the student investigate first? Name one benefit, one tradeoff, and remember that employer requirements vary.
