## MINI-CASE

07 / 10

Jamie is in 10th grade in Irving ISD. Jamie wants a Manufacturing job right after graduation (not a 4-year college). Jamie just read your Hat Research worksheet.

1 | Which Manufacturing career from your Hat Research would you recommend to Jamie?

---

---

2 | What are TWO specific training or certification steps Jamie must complete to reach that career? Use your Hat Research worksheet.

STEP 1

STEP 2

---

---

---

---

3 | About how long will BOTH steps take together (weeks, months, or years)?

---

---
