Ms. Alvarez is an older patient in a DFW nursing home. Each morning at 7:00 AM, someone needs to check her vital signs (heart rate + temperature) and write them in her chart. The chart is reviewed by a nurse at 8:00 AM.

- 1** | Which nursing career from the ladder fits THIS morning task BEST? Circle ONE: ****CNA**** / ****LVN**** / ****RN**** / ****NP****
One sentence why:

- 2** | Name ONE feature of YOUR micro:bit monitor that would help this person do Ms. Alvarez's check accurately. My feature: . How it helps:

- 3** | At 8:00 AM, a different Health Science role reviews the chart. Which role is that, and WHY is it different from the morning check role? Reviewer role: . Why different:
