

Vision Board Brainstorm

Plan the ideas first. Then choose the words and images that make those ideas visible.

Name:

Class:

Date:

Choose your format: Paper, poster board, Google Slides, or Canva. Use the format your teacher approves.

Page 1 · Who I am now

Use short notes, sketches, or symbols. You do not have to share anything you consider private.

Interests

What do you choose to do when you have options?

Values

What matters enough that you would defend it?

People and places

Who or what communities help you feel like yourself?

Strengths

What can people count on you to do well?

Proud moment

What have you worked for, improved, or finished?

Symbols and colors

What images, colors, or objects represent those ideas?

Word bank: curious · dependable · creative · patient · resourceful · determined · connected · independent · helpful · growing

Page 2 · Where I want to go

Learning goal <i>I want to learn how to _____ because _____.</i> _____ _____ _____ _____	Skill to grow <i>I want to get better at _____ by _____.</i> _____ _____ _____ _____

✓

Success check

☐

My board includes text and images.

☐

The layout shows what matters most.

☐

At least one choice connects who I am now to where I want to go.

☐

I can explain why I chose one image, word, or color.

☐

I left out private contact information, passwords, and anything I do not want shared.

Reflection stem:

One choice that matters on my board is _____ because _____.
